

## Ruby Engineer (m/f/d)

Location: Bulgaria – Sofia or other

### About us

B2B Media Group is a MarTech company - one of the leading B2B data providers in Europe. With over 85 employees 6 locations in Germany, UK and Bulgaria, we help hundreds of B2B companies achieve their marketing and sales goals. Industrial and IT corporations as well as hundreds of medium-sized companies and media agencies rely on our technology and unique B2B data.

**Our Mission:** Fuel the marketing of any B2B company with our unique audiences and insights.

### You will

- Help us develop and improve our own product offering in an agile environment
- Maintain and implement solutions and deliver high-quality software based on Ruby on Rails
- Create, maintain, debug and test software to run & enhance the B2B Products and all related modules and services
- Have end-to-end responsibility of our Platform-as-a-Service product for multiple clients
- Review and improve our continuous integration and deployment
- Shape and apply our software standards of clean code and proven optimization techniques
- Help to define requirements, create software designs and translate them into codes
- Provide thorough unit testing and support products used by our stakeholders
- Develop software with big data and adtech in an innovative and fast growing environment

### Your profile

- Experience with Rails
- Experience with an RDMS (MySQL, Postgresql)
- Experience in a company setting
- Fluent in English

### Perks and Benefits of working at B2B Media Group

We offer a permanent position in a fast-growing, data-driven online marketing company with a focus on B2B. A secure working environment with flat hierarchies and fast decision-making processes is what sets us apart. Our way of working is characterized by trust, openness, a lot of fun and a good work-life balance. We have offices in London, Sofia, Berlin, Munich, Würzburg and Augsburg and work with a highly motivated international team. In times of Covid-19, a virtual office is of course offered, and we also allow flexible working models beyond that.

#### Our offer also includes:

- 23 working days paid leave and counting
- Additional health insurance
- Rebenefit and Multisport access
